

60171 PCNs Issued at Arboretum Place

Could you please provide details of the number of parking penalty charge notices (PCNs) issued at Arboretum Place, Edinburgh, which have been challenged or formally appealed, for each year over the last few years (for example, the last three to five financial or calendar years, depending on how the data is held)?

2023 – 1,678

2024 – 1,872

2025 – 2,010

I would also appreciate a breakdown showing: how many were issued, and how many challenges were made, upheld or cancelled, and how many were rejected.
