

60174 CCTV Cameras

Please note that the response below is separated between our Public Space CCTV network and our corporate estate CCTV cameras. All relevant responses are broken down by area, as below.

How many CCTV cameras are currently in operation in total?

Public Space – 455

Corporate estate – 1,553

How many of these cameras are for:

Housing

Community safety

Traffic

Public Space cameras have not been installed for specific individual purposes. The purpose of the overall estate is:

- Maintaining public order and reducing anti-social behaviour.
- Deterring and preventing crime, particularly violent crime.
- Reducing the fear of crime.
- Protecting property.
- Assisting crowd control for live events such as demonstrations, protests, major public events.
- Facilitate monitoring and management of transport networks.
- Supporting legal proceedings.
- Helping with issues relating to public safety and health.
- Contributing to the location of vulnerable/missing individuals.
- Providing assistance and reassurance to the public in emergency situations.

Cameras in our corporate estate have not been installed for specific individual purposes, but instead for property protection purposes and community safety.

How many facial recognition cameras are in operation?

None.

How many automatic number-plate recognition (ANPR) cameras are in operation?

None.
