

60191 Government Money for Playparks

I would like to know how much of the allocated Scottish Government money that was allocated for play parks to Edinburgh City Council over the last 5 years, has been spent, and what improvements the council have made to our play areas.

The information requested is found in the publicly available report, to our Culture and Communities committee, dated 2nd October 2025.

All extra funding within appendix 1 was from the Scottish Government playpark investment fund. Link is-
