

60230 Clarification on local procedure for 'Named Person' – Policy Review

What is the current local procedure in Edinburgh for identifying the primary point of contact (formerly 'Named Person') for a child's wellbeing?

Should our policy continue to identify the CYP team leader or the operation Manger as the designated officers for wellbeing concerns in Shakti?

What is the correct terminology we should use to ensure we are following national and local guidance?

[The attached guidance document for the 'Getting It Right For Every Child' policy is attached, which addresses these questions.](#)
