

## 60317 Energy Consumption and Costs

Please could you provide the following information relating to your organisation's energy usage:

Copies of electricity and gas bills (or a summary equivalent) for the most recent 12-month

[We do not receive traditional bills. We receive billing files that are input into specialist Measurement and Verification software enabling us to read them.](#)

Total annual electricity consumption (kWh) for the same period.

[The Corporate Estate's consumption – 44,185,469 kWh.](#)

Total annual gas consumption (kWh) for the same period.

[The Corporate Estate's consumption – 118,854,960 kWh](#)

Total annual cost (?) for electricity and gas, separately if available.

[We cannot provide the annual costs as we consider this to be commercially sensitive.](#)

The name of your current energy supplier(s).

[Electricity – EDF Energy; Gas – Total Energies.](#)

The contract end date(s) for electricity and gas supply.

[Electricity – 2030; Gas – 2028.](#)
