

## 60336 Road Repairs

Please provide the date(s) when Freelands Road and Gogarstone Road, EH28 were last fully resurfaced along the sections from Freelands Farm to the A8.

Freelands Road, between Freelands Farm & Gogarstone Road – Resurfaced December 2005.

We are unable to provide you with information for Gogarstone Road as it is not held by the Council.

Please provide the estimated cost to fully resurface each of these two roads, on this section, separately for each road.

We do not hold this information. This will depend on the area to be resurfaced, the material type and the depth of construction. None of these have been established.

Please provide the amount spent, since the date of the last full resurface of these roads, of patching and pot hole repairs of these roads, separately for each road.

We do not hold this information, as revenue spend is not separated by street.

Please provide the date(s) when the Council intend to fully resurface these two roads.

There has been no date assigned to resurfacing of works on either of these roads.
