- Contract length
- Contract value, where this information is held

These services are provided by CGI as part of our outsourced ICT contract which started 01/04/2016, with an initial period to 31/03/2023, extended in 2020 to 31/03/2029, but can be further extended to 31/03/2035.

We are unable to provide the contract value because it is not separately held by the Council. Charges are included within our ICT Contract costs of circa £26m per annum.
