Scope of works:

- NC Engineering to expose box duct work, break into the duct and clear blockage.
- ATG to pull in all new hoses and cables.
- NC Engineering and ATG to make good the box duct.
- NC Engineering to restore block work.

Please note: If payment terms are 'Pro-forma Invoice' please be aware that production will not commence until payment has been received.
Any delay in payment of the 'Pro-forma Invoice' may result in a delay on the delivery date.

If Risk Assessments & Method Statements are required, these must be requested at least 3 working days prior to the scheduled attendance. If documentation is requested after this, the visit will be re-scheduled to allow for RAMS to be processed. If documentation/RAMS are requested on the day of the scheduled attendance, ATG reserve the right to charge an aborted visit cost to allow for documentation approval and re-scheduling of the engineer.
