High Street Improvement Works (between Newhalls Road and Loan Junction), South Queensferry.

Has a contractor been appointed to undertake the Queensferry High Street Improvement Works between B924 Newhalls Road and The Loan junction?

Yes, a contractor has been appointed

How are these works being procured?

Quotes were sought from suitable contractors.

If a contractor has been appointed at the time of your response, when is it anticipated that the work will physically commence?

Works are expected to start in Spring 2026.

What is the name of the contractor who has been awarded the contract/ who will be undertaking the work?

Stepford Contracts Limited.

What is the value of the contract award?

Commercially sensitive information cannot be released. The Council considers that if this information was disclosed at this time, it would harm the provider's commercial interests by providing external providers with an unfair advantage when competing for Council contracts and work.

What is the value of the budget approved by the Council for this project, including professional design and project management fees?

Further details can be found on the project webpages that highlights all works that are being undertaken as part of the Queensferry Town Centre Improvements Project.
