Hi

I'm attending a meeting with parents at Wee Mack's on Tuesday evening. Elected members will also be present.

They have received the end of partnership notification, and the partnership will end on 31 December. Please could someone send me the chronology of the support they've received since going into SIP in 2023.

I've had a look on TEAMS but can't find anything so it may be on the L&T pages which I can't access.

Kind regards,
