Dear Early Years Team,

I hope you are well and enjoying some of the nicer weather.

We are excited to share our Application for Partnership Provision with Edinburgh Council, which is attached for your review. I have included all the requested documents and paperwork; however, please do not hesitate to contact me if you require anything further.

We look forward to arranging a visit from one of your officers, should everything be in order.

I would appreciate confirmation of receipt of this application, along with any information on the next steps.

Many thanks in advance.

Kind regards,
