Hi [REDACTED]

You should have received an email with all the paperwork you need to complete to get you into the various systems. You are coming into partnership, so you can now inform parents that there will be funded places for eligible children from January.

Best wishes

**Subject:** Update

Hi [REDACTED]

I hope you are well and have had a nice week.

I am conscious that you may be finishing up soon for the holidays until the new year and I am really hopeful that you can give us an update as to where we are at with our application?

We have had enquiries for preschool, as I mentioned at our meeting, however my main concern is that we have three children due to move to preschool who are hoping to access funding by the end of January once they move. I have had many requests for updates from parents as to this matter over the past few weeks and their frustrations are growing that I do not have a direct answer for them.

Please can you offer us an indication of the likeliness that we will be entered into the partnership for the end of January? I would also be keen to know what the next steps are generally. Thank you and we looking forward to hearing from you.

Kind regards
