

60535 Saughton Road North - Road Maintenance

A copy of your current road maintenance policy relating to that road.

Please send me the full policy, but this should include details of the intended frequency of road safety inspections, how these inspections should be conducted and the maximum time between identification of a defect and repairs being carried out.

[A copy of the policy is attached.](#)

A copy of the road repair history for that road over the past year.

Again, please send me the full road repair history, but this should include:

Dates of all safety inspections between 27/12/2025-21/02/2026

Details of how safety inspections were undertaken (walked or driven, speed of inspection vehicle etc)

Details of all carriageway defects identified, with description, date and time

Details of how the authority handled these defects, what repairs were undertaken and the time between the identification of each defect and a repair being carried out.

[Most of this information is included within the attached Site History Report.](#)

[We are unable to provide you with the method of inspections and how the defects were handled as this is not held by the Council.](#)
