

## 60550 School Absence

Please breakdown the following by both academic year from 2018/19 to 2024/25 and by Primary, Secondary and Special Educational settings:

The percentage of children recording a persistent absence (children who have missed 10% or more of their scheduled school sessions.)

Session	Primary	Secondary	Special
2021	27.1%	33.6%	42.0%
2022	23.7%	32.3%	32.2%
2023	21.6%	33.0%	35.1%
2024	18.4%	30.6%	28.7%

Only data from 2021/22 is available.

Pupils who have been absent for 10% or more of their possible attendance ( i.e. 90% or less attendance)

Unfortunately, we are unable to provide you with the information prior to 2021 because it is not held by the Council.
