

60717 Catholic Schools in Edinburgh

Can you list all the primary and secondary Catholic schools in Edinburgh and confirm what percentage of the pupils at each school are baptised Roman Catholics?

There is no requirement for us to record on the pupil database if pupils are baptised Roman Catholic. The only way to check if a pupil has been baptised Roman Catholic would be to check individual pupil records for their baptism certificate. This would mean checking 6,692 individual pupil files, or in other words the full school roll of all Catholic schools in Edinburgh currently. At an estimate of one minute per record, it would take 111 hours to gather this information, which at £15 per hour would result in a cost of £1,673.
