

60952 Pentland Primary School

The planned Primary 1 (P1) intake capacity for the 2026/27 academic year (including the number of classes and maximum number of pupils).

The planned provisional P1 intake for Pentland Primary School for 2026/2027 is 63. This comprises two classes of 25 and a P1/2 composite class of 13. The intakes set in January are based on the number of catchment children. This will be reviewed as necessary.

The number of P1 applications received for the 2025/26 and 2024/25 academic years.

In 2025, by the start of session in August there were 67 catchment registrations, and seven placing requests were received.

In 2024, by the start of the session in August there were 55 catchment registrations, and five placing requests were received.

The number of successful and unsuccessful placing requests for P1 for those same years.

In 2025, all seven of the placing requests were granted by the start of the session.

In 2024, three placing requests were granted and two placing requests were turned down and placed on the waiting list.

The size of any waiting list for P1 following the initial allocation of places in those years.

In 2025, initially four non-catchment children were on the waiting list at the first round of allocations in March.

In 2024, initially five non-catchment children were on the waiting list at the first round of allocations in March.

The size of the current waiting list. If possible, please provide this information as of the most recent available data.

As at 27/03/26, there are 12 non-catchment children on the waiting list. It is expected this will change by August 2026. If necessary, intakes will be amended.
