

## 60999 Special Leave for Funerals

We are seeking information regarding the provisions for leave to attend funerals. Specifically, we are looking at the number of days that may be granted, any limit on the number of occasions leave may be granted and scope of the provisions (that is, the relationship of the person who has died to the person requesting leave).

All information relating to special leave, which includes bereavement leave, can be found via the [Special Leave Policy](#) on the Council's website.
