

61013 Supported Exempt Accommodation for Male Survivors of Domestic Abuse

We would like to request the following information, please:

How many supported accommodation providers are currently operating in your area?

We currently commission 13 supported accommodation providers who provide 40 services for people who are homeless with support needs.

What is the average weekly rent paid per room for supported exempt accommodation?

The City of Edinburgh Council only pays support costs for commissioned services. Rent is set by each provider and either gathered directly from the client or through Housing Benefit. We do not hold average rent figures for services.

Who should be approached within the council to discuss commissioning, service provision, rates, and referrals?

For enquires around commissioning homeless services or domestic abuse services, please contact the Contracts and Grants Manager for homeless services at:
