Given Currie Community Council enquiry from the email below relates to prospective application I thought I will copy you in as well to ensure our enquiry is properly noted and future Planning Officer to whom those jobs are assigned is aware of our Community Council interest. Could you please be that kind and acknowledge our inquiry.

Subject: Currie Community Council Apatura Data Centre A71 near Hermiston House

To: <planning@edinburgh.gov.uk>

Hi

[REDACTED] I am a Community Councillor for Currie. We recently attended a presentation by Apatura regarding the proposed Apatura Data Centre near Hermiston House, along the A71. The applicant outlined several potential incentives for the local community, and we would like to ensure we are kept informed and involved in any discussions moving forward.

Could you please advise us who the planning officer assigned to this case is?

Additionally, we understand there is a proposed battery storage development at Riccarton Garden Centre. We would also appreciate being kept updated on the progress of this application and any opportunities for community engagement.

Thank you very much for your help and support.

Kind regards,

[REDACTED]
Currie Community Councillor
