

61080 Public Landlord & HMO Registers for Edinburgh

I'm looking to get hold of the current public-facing data for the Private Landlord and HMO Registers for the Edinburgh area.

Under the Freedom of Information (Scotland) Act, could you please send over an export of these registers? Ideally, I'd like the data in a CSV or Excel file with the following details included for each entry:

- Landlord Registration / HMO License Number
- Full Name of the Landlord
- The Rental Property Address (with Postcode)
- The Landlord's Correspondence/Service Address
- The Name of any Managing Agent
- For HMOs: The license expiry date and the occupancy limit.

The [Scottish Landlord Register](#) is available in the public realm.

The Scottish Parliament decided that access to the Landlord Register should be limited, to allow interested persons to check whether a particular person is registered as a landlord, or to establish whether a landlord is registered to a particular property and to find their contact details but to prevent more general trawling of the register. The detailed directory requested shall not be provided. This decision is supported by the Scottish Information Commissioner as referenced in [Decision Notice 063-2011](#).

Our [HMO register](#) will provide the license number, name of the applicant, address of the living accommodation and the name of any agent.
