

61106 Ban on Alcohol from Parent Council Organised Events in Schools

Please provide all internal correspondence relating to the decision to ban alcohol from parent council organised events in schools with specific reference to high schools and fundraising activities.

No such correspondence has been identified. The Education Service follows standard guidance.

Within the 'Secondary School Lets Terms and Conditions' it states, "**Alcohol is not permitted on School premises and Lets will not be issued a licence for alcohol.**"

Also, within Council-wide guidance around alcohol / drug use in the workplace, there is a section stating, "**It is not permitted to consume alcohol or drugs in the workplace at any time during normal working hours. The only exception is when alcohol is served as part of an approved workplace event. Events like retirals, for example need prior approval from your Executive Director or Service Director and they should be held out with normal working hours.**"
