

61128 TRO Status and Enforcement Data – Threipmuir Car Park Entrance

The TRO Reference: Please provide the reference number and a copy (or digital link) of the Traffic Regulation Order (TRO) or Temporary Traffic Regulation Order (TTRO) that authorizes the double yellow lines at this specific location.

As part of the Spaces for People programme (pandemic public health response), local authorities were advised of powers to introduce measures to help reduce the spread of Covid-19. Due to the high demand for recreational activities over this period, parking restrictions were introduced for a period of 18 months due to road safety concerns. Unfortunately, once the TTRO had lapsed the road markings were not removed; however, arrangements are being made for their removal.

Date of Implementation: Please confirm the date these markings were legally commissioned and painted.

The road markings were installed in September 2020.
