Climate Awareness Training for Senior Councillors and Staff

Have all senior management received climate awareness training, including Carbon Literacy, Climate Fresque or equivalent, before 30th June 2026? Please state the type of training. We are seeking information for senior managers who have had climate awareness training that has taken place since 1st January 2015 and up until 30th June 2026. We define senior management as including all Chief Executives, deputy Chief Executives and Directors or Heads of Departments, or equivalents, depending on what each council calls them.

Of the current sixteen senior management members (defined as Chief Executive and Service directors) twelve have received climate awareness training, including Carbon Literacy or equivalent, before 30th June 2026. Two have received Carbon Literacy, ten have undertaken Climate Fresk and one has also received training on Managing Carbon on Scottish City & Regional Growth Deal Projects' delivered by Scottish Government's Sustainable Development Manager.

Have all current councillors in the cabinet or committee chairs received climate awareness training, including Carbon Literacy, Climate Fresque, or equivalent, since being elected? Please state the type of training. We are only seeking information for cabinet or committee chairs who have taken climate awareness training that has taken place since 1st January 2015 and up until 6th May 2026.

Our records show that 7 out of 13 Committee Conveners have attended climate training since January 2015. Three have received Carbon Literacy, two have received Climate Fresk training, three have undertaken climate risk management training and one is enrolled in the UK100 Connect cohort. Some have undertaken more than one of these trainings
