I am requesting information regarding asbestos at Kaimes School.

Please provide:

Whether asbestos is present in the building.

Yes

The location of any asbestos-containing materials.

A copy of the asbestos register or asbestos management plan.

Details of any recent inspections, risk assessments, or removal works.

Please see attached documents listed below in relation to Asbestos Information at Kaimes School. The only recent removals were carried out in 2025 in one location, included are two recent R&D Surveys from 2025/2026; these can be classified as "recent inspections".
