

61352 Roads, travel, and parking

I wish to know how deep a hole would be considered a defect.

All defects are assessed in line with our Risk Based Approach, which is attached for reference.

I would like you to investigate how this pothole has been dealt with

Looking at the numbers and information provided:

10200005789 – This number doesn't exist on our system.

102000057897 – This report was received on 08/12/25, it was inspected on 11/12/25 and a repair order was raised and marked as completed on 12/12/25.

'FixMyStreet.com on 17 Nov 2025' – There does appear to be a report received on 17/11/25 for Newcraighall Road. This report was inspected on 18/11/25 and no actionable defects were found.

I would like to raise a FOI request about reports of potholes/ road defects near EH15 3RD.

I would like a FOI request of inspections of defects in the same area.

I would like a FOI request of works carried out in the same area.
