

61449

Request for the following information regarding the council's approach to community benefit and social value in the procurement or award of commercial concessions on council-owned land and open spaces.

Any policy, guidance, or evaluation framework used by the council when assessing community benefit, social value, or public health outcomes as part of the procurement or award of commercial concessions, licences, or leases on council-owned parks and open spaces.

[Please refer to the information attached.](#)

For any commercial concession on council-owned parks or open spaces awarded via competitive tender within the past three years:

[Commercial concession awarded at:](#)

- [Saughton Park \(competitive tendering\)](#)
- [1 Royal Terrace Gardens \(competitive tendering\)](#)
- [24b Stenhouse Place West \(concessionary\)](#)
- 

copies of the evaluation criteria, scoring methodology, and weightings used — including any community benefit or social value scoring component.

[None, please attached commercial advertisement for 1 Royal Terrace Gardens, issued on Costar and to mailing list interested parties.](#)

Whether the council has adopted or applied the Scottish Government's Fair Work First criteria, community wealth building principles, or any equivalent social value framework when awarding concessions or leases for commercial use of parks and open spaces.

[Yes, as per the documents attached.](#)
