

61539 Out of Catchment Pupil Places - Balerno High School and St Augustine's High School

Please find attached an Information Request for information with regards to 'out of catchment' pupil places at Balerno High School and St Augustine's High School, as well as the associated primary schools.

The request is set out in a table in the attached word document for ease of completion. This word document sets out the full name of each school that the information is being requested for.

The following information is requested:

- For each of the school years listed in the attached word document (2013/14, 2014/15, 2015/16, 2016/17, 2017/18, 2018/19, 2019/20, 2020/21, 2021/22, 2022/23, 2023/24, 2024/25, 2025/26), please provide the total number of pupils for whom an 'out of catchment' placement request was made for each school named in the word document.
- Please also set out the number of 'out of catchment' places offered for each school and the number of places taken up at each school for the school years listed above and in the attached table.
- Finally, please set out the number of 'out of catchment' places taken up each year at each school named in the attached word document by stage (P1-P7/S1-S6).

Please refer to the attached partially completed response tables which include our central record of all Out of Catchment P1 and S1 requests, places offered and intake up to the start of session of each year. Thereafter, the individual schools deal with all placing requests, including those received after the start of session. The year group a child enters on their first day in school is not recorded.

Please note, Kirknewton Primary School is not a school run by the City of Edinburgh Council. It is run by West Lothian Council.

Where there are five or fewer requests, offers of a place or places taken up, these are shown as '1-5' in compliance with the Data Protection Act 2018.
