Harmful sexual behaviour

How many incidents involving harmful sexual behaviours, such as sexual harassment, sexual threats or sexual abuse, between pupils (pupil to pupil) were there in City of Edinburgh secondary schools in 2023-2024, 2024-2025, 2025-2026 (to 31 March 2026)?

2023/24 – Less than 5

2024/25 – Less than 5

There have not been any instances recorded for the current session 25/26

How many alleged incidents that resulted in investigation action were there in total between staff to pupil in City of Edinburgh secondary schools in 2023-2024, 2024-2025, 2025-2026 (to 31 March 2026)?

2024/25 – Less than 5

2025/26 – Less than 5

How many staff were employed in secondary schools in these time periods?

The number of secondary school teachers is listed as part of the annual census on the Scottish Government website in table 8.3 at the link below:

[Teacher census supplementary statistics - gov.scot](#)

How many of these incidents involved harmful sexual behaviours, such as sexual harassment, sexual threats or sexual abuse for these years?

2024/25 – Less than 5

2025/26 – Less than 5

Please also provide the information for the number of senior leadership staff (depute head or head) involved for the total and harmful sexual behaviours.

Less than 5

How many secondary school staff were considered under disciplinary processes, including allegations of abuse?

Less than 5

Please show this for each year as before and how many involved the senior staff for each year group.

The Council does not hold the information which you requested.

Also, what were the outcomes in terms of upheld complaints, for each group and by total and senior staff?

The Council neither confirms nor denies that it holds this information.
