

61664 Pothole Reports and Repairs Data (2024 and 2025)

Please provide the following information for the calendar years 2024 and 2025 (with figures for each year provided separately, and not combined):

The total number of potholes reported to the council within the requested calendar years, including the date of requests (if available).

The total number of potholes repaired by the council within the requested calendar years, including the date of repairs (if available).

Please see attachment, which provides the total number of pothole reports and repairs in each requested year within the first worksheet, with the date they were reported and completed also included within the following worksheets.

The number of outstanding/unrepaired potholes at the end of each calendar year.

Please clearly label all figures by year (i.e. 2024 and 2025).

This cannot be answered as the Council does not record that information at that time and it cannot be pulled retrospectively.
