

61669 Ravelston Woods - Correspondence and Legal Advice

I would like information on the legal advice taken by CECs office as per the email sent to me, and what the advice was.

This information is withheld as it forms part of internal communications and is excepted from disclosure under Regulation 10(4)(e) of the Environmental Information (Scotland) Regulations 2004.

Also, how many people wanted this access blocked and the reasons why?

At the time of initial investigation, one person requested access blocked. This was to maintain the status of their communal garden as private, as outlined within their Deeds of Title.
