

## 61694 - Number of Recorded Data Breaches (2020–2025)

Please provide the following information for each fiscal year 2020-2026 (i.e. the annual reporting period 6th April to 5th April each year) if your reporting is by calendar year rather than fiscal year, then the data is acceptable to me in this format instead.

[Please note that we have responded with Calendar Years.](#)

The total number of data security incidents or personal data breaches that were logged internally by the Council (i.e. recorded in your internal incident management or breach log), regardless of whether they were subsequently reported to any external body.

[Information from 2020-2023 has been previously published and can be found on our disclosure log Disclosure log reference 50624.](#)

2024 - 325

2025 – 339

The total number of personal data breaches that were reported to the Information Commissioner's Office (ICO).

[Information from 2020-2023 has been previously published and can be found on our disclosure log Disclosure log reference 50624.](#)

2024 – 16

2025 – 8

The number of reprimands, enforcement notices and monetary penalty notices issued by the ICO (showing the split by each category)

[One reprimand in relation to compliance with statutory timescales](#)

The sum financial total of any monetary penalty notices
