

61736 Public Clocks

Please provide a full list of all 27 public clocks, including the non-functional ones.

I have found a list of the 24 functional ones here:

<https://www.edinburgh.gov.uk/leisure-sport-culture/report-public-clock-issue> but there does not appear to be any list of the remaining 3.

Please refer to the table below for a list of clocks we have on our records.

Please note, not all are Council-owned, but all are appearing as Council-maintained, except the last entry, London Road/Abbey/Meadowbank Church, which has no detail recorded.
