

61761 St Mungo's Church Representatives Visits to Dean Park Primary School

Please provide details of visits by representatives of St Mungo's Church to Dean Park Primary School, Balerno over the past 3 years.

Specifically, I would like to know:

The number of visits made by church representatives on official business;

1 visit per advent period as part of our assembly calendar for each of the last 3 years.

The dates of those visits (where recorded);

14/12/23, 12/12/24 and 27/11/25.

The purpose of each visit (e.g. assemblies, religious education, events, pastoral activities etc.).

Input into advent assemblies. Our assembly calendar reflects key festivals in all faiths represented in our school community.
