28/02/2020		Southfield Place	Can a PA please visit the above location as we've had a report of vehicles parked down both sides of the street. There are some yellow lines in place at the junctions.
17/02/2023		Southfield Place	Van belonging to [redacted] parked on the pavement opposite Diced and over newly painted (today 17/2/23) double yellow lines. If he doesn't park here then he parks in the bus stop despite there being other spaces available. People, buggies, wheelchairs and blind people wouldn't get past as it is a narrow pavement and he is parked on it. Constantly does this and thinks rules don't apply to him.
28/05/2023		Southfield Place	A number of vehicles are parked on the pavement along Southfield place despite it now being an offence to do so. They either don't know or are just ignorant. There is plenty room on the road and there is no need to park on the pavement.

11/11/2023	10:17:00	Southfield Place	Multiple cars and vans repeatedly parked on pavement daily. This causes problems for children attending local schools and elderly people from retirement flats nearby as it vastly reduces the width of the pavement
09/02/2024	13:29:00	Southfield Place	I just saw one of your parking attendants let someone off a ticket for parking in the bus stop in exchange for some food from the diced meal prep shop, the guy who owns the car works there, is this how the council operates? 19/11/2024	12:40:00	Southfield Place	This Range Rover is constantly parked in the bus stop and despite it being reported numerous times nothing has been done about it. It could be because on the odd occasion a warden has given him a ticket he has been extremely abusive and threatening to the traffic warden. His drivers park in the bus stop and any deliveries to his business park in the bus stop making it hard for the elderly people that use the bus stop to get on the bus with the bus having to sometimes stop in the middle of the road because cars are parked there.
