

61832 Traffic Light Sequencing at Barnton Junction, Edinburgh

We request the following:

Sequencing for the traffic lights at Barnton Junction, Edinburgh where Cammo Crescent meets Queensferry Road, A902 Maybury Road and Whitehouse Road between 11:20am and 11:30am on 13 November 2025.

The movement in question relates to 'Stream 0' on the attached drawing ('61832 E466_J-Paperspace').

The time gaps between the traffic lights on the eastbound filter lane of Cammo Crescent to turn right on to A902 and the lights on the westbound carriageway of Queensferry Road.

The inter-green/clearance times from Cammo Crescent right turn to opposing movements are provided below:

- B to D = 6 seconds
- B to F = 4 seconds
- B to G = 4 seconds
- B to H = 4 seconds
- B to U = 5 seconds

(As per the following attached document – '61832 E466_Ext Timing')
