Please supply the annual number of pupils attending Preston Primary School (school roll) for the years

1900 to 1970.

We hold a selection of records for Preston Street Primary School (Accession 1139), and these records contain this type of information within a series of pupil transfers covering 1939-1950 and Statistical Returns from the 1930s-1950s.

We also hold a series of Education Reports 1930-1975 and Education Committee Minutes (SL164)1872-1975 which may also be useful for this research.
