

61899 St Margarets Nursery and Pre-School

I would like information on the partnership agreement between the Council and St Margaret's Nursery and pre-school. Specifically, to give me the reason the Council chose not to renew the partnership agreement with St Margaret's Nursery and pre-school.

The Council is unable to respond to queries about the Council's decision not to renew its partnership with St Margaret's Nursery Ltd. (SMNL). The contract that governed the former partnership contained certain confidentiality provisions, which prevents details of the partnership agreement from being published.
