

## 61941 Team Leaders

Please provide the job description and job evaluation scores, including factor breakdown for all jobs titles which are called 'Team Leader' in the Council. Please also provide the number of women and men in each of Team Leader roles.

We currently hold 62 unique Job Descriptions/Job Evaluation (JD/JE) assessments for Local Government Employee roles with the title of Team Leader. To fulfil the request to provide JD and JE score data for all Team Leader roles means we'd need to review and collate the JE information held for all 62 roles. Based on a timescale of approximately 45 minutes to review the information per role, we estimate that to fully respond to your request would take 46.5 hours. At a cost of £15 per hour, this would total £697.50, exceeding the £600 limit set under the legislation.
