

61998 Weeds

I should be most grateful for the following information.

1. How many complaints/service requests for weeds growing on council-maintained streets/properties were received in 2025?

2. How many of these requests were resolved in 2025?

When a Request for Service or complaint is received, we do not record whether or not the location of the weed is on a council-maintained street or property.

We can advise that a total of 987 'Weeds Service Requests' were received in 2025. 980 were closed in 2025 (99.3%) and 7 were closed in 2026.
