

62051 Results of the Braid Estate Traffic Survey

Please can you provide results of the traffic survey that was carried out within the Braid estate in 2023 as part of the assessment of the quiet route, and also any further traffic counts that have been done since then on either Midmar Avenue or Comiston Road (near South Morningside primary school).

Please refer to the attached results of the project conducted by our Local Transport Improvements Team and our Active Travel team.

Could you also please provide the summary of responses on the local resident survey provided to the TEC on the quiet route through the estate.

This information is part of the report that was considered by the Transport and Environment Committee on 07/03/2024. Specifically, on Appendix 1 (Greenbank to Meadows Quiet Connection Re-design Options – Public Engagement Report). The report and appendix can be found on our website at:
