

## 62053 Letting Agent Inspections and Compliance Checks

The number of inspections or compliance checks carried out on letting agents.

The number of inspections or compliance checks where non-compliance was found, broken down by type of non-compliance.

The number of inspections or compliance checks resulting in formal enforcement action, broken down by type of enforcement action.

The number of prosecutions brought against letting agents.

Where possible, I would be grateful if this data could be broken down by year, specifically for 2019, 2023, 2024, and 2025.

[Local authorities in Scotland do not regulate letting agents, they are regulated by the Scottish Government.](#)
