

62120 P1 Intake and Deferral Requests

How many school P1 deferral requests have been received (to defer entry from August 2026 to August 2027)?

817.

What percentage of the total student body do these requests account for?

20%.

What is the total P1 intake for 2027?

4,046.

What percentage of deferral requests are from children born between August and December?

51%.

What number & percentage of eligible children have applied for deferral by birth month?

Can you please show the number and percentage for each month individually? i.e. 10 eligible Dec birthdays, 5 deferred = 50%

August September October November December January February

Total P1 August birthdays: 19 deferred of 242 eligible = 7%

Total P1 September birthdays: 56 of 373 = 15%

Total P1 October birthdays: 81 of 353 = 22%

Total P1 November birthdays: 102 of 353 = 28%

Total P1 December birthdays: 164 of 336 = 48%

Total P1 January birthdays: 188 of 315 = 59%

Total P1 February birthdays: 207 of 292 = 70%

Can you then do a table comparison for these figures and 2025/26 figures?

Total P1 August birthdays: 30 deferred of 324 eligible = 9%

Total P1 September birthdays: 47 of 337 = 13%

Total P1 October birthdays: 78 of 369 = 21%

Total P1 November birthdays: 96 of 328 = 29%

Total P1 December birthdays: 141 of 332 = 42%

Total P1 January birthdays: 218 of 331 = 65%

Total P1 February birthdays: 212 of 324 = 68%
