

62151

Current number of asylum seeker and refugee children in the council's care (looked after children)

75

A detailed breakdown of the total annual cost of supporting these children, including: Many costs associated with UASC are common to all Looked After Children. Therefore, we are not able to extract UASC costs from our financial reporting systems independently from the general looked after population.

- Accommodation costs
- Social work and case management
- Education support
- Health and mental health services
- Legal and translation costs
