

62169 Translation and Interpretation Costs for Asylum and Refugee Services

Total spend on translation and interpretation services for asylum seekers and refugees in the last three financial years, broken down by:

Housing and homelessness services

Education (schools and adult learning)

Health and social care

Other council services

Top 5 languages requiring the most translation support.

We are unable to provide the spend and subsequent breakdown of costs for translation and interpretation services because it is not held by the Council. We can however confirm that the top 5 languages requested for translation and interpretation services are Ukrainian, Arabic, Polish, Romanian and Dari.
