1	G15	Visit to Concern 20.20 hours 16/ 2/2025 20:20 KHO Visit to Baby Dolls. [REDACTED] at the door with two doorstaff and a female member of staff. I advised we hadn't evidence of the noise complaint but wanted to give the premises guidance around their previous level set of 2016. [REDACTED] took us to the basement area of the premises. [REDACTED] stated the equipment in the venue is the same as 2016. We looked at the sound desk and it appeared to be the same as the photographs from the level set. [REDACTED] stated there had been additional sound proofing installed. [REDACTED] said this was around 10 years ago but couldn't be sure. [REDACTED] said a DJ did come to the venue and plug in a laptop. [REDACTED] stated this wasn't any louder than the normal volume. [REDACTED] said [REDACTED] believed the complaint may have been malicious as the venue was trying to get seasonal variations until 3am. I reassured Bernadatte we were neutral and would only act on evidence.		16/02/2025	KHO	R 957187
