1	G16	Visit to Locus in response to noise complaint. Spoke with [REDACTED] (owner/manager). The music playing did have a bass beat similar to the one we heard in the flat. [REDACTED] agreed to turn the bass volume down - but stated that the music/beat was important for the 'dancers' and therefore his business. There were a number of speakers around the bar attached to the wall near to ceiling height and two biggers speakers (still high up) on a shelf at the window. The premises is not directly under the client's flat.		21/08/2023	SUM	R 931091
