

62270 Adult Health and Social Care Assisted Transport Policy

Adult Health and Social Care Assisted Transport Policy dated April 2026 was approved by the Policy & Sustainability Committee on 10th March 2026 (Agenda Item 7.4).

What actions have been taken to communicate the updated policy to Council officers responsible for implementing it?

[An email was sent to key staff in Assessment and Care Management on 18/03/26. This was also covered at a staff briefing on 23/04/26.](#)

Did this include formal training or was it communicated via email?

When were Council officers responsible for implementing Adult Health and Social Care Assisted Transport Policy dated April 2026 informed about the new policy?

[Email communication with link to new policy and an update at the staff briefing.](#)
