

## 62304 Panic Alarms in Schools

The number of City of Edinburgh Council schools which have installed panic alarm or emergency alert systems for teachers and staff, in each of the last five financial years (2021/22 to 2025/26).

11 schools have installed panic alarms and/or emergency alert systems in the last five financial years.

We are unable to provide a breakdown by year, as this is not held by the Council.
