

62318 Disabled Parking Bays and Misuse Fines

The total number of registered disabled badge holders currently residing within the council's jurisdiction (or the most recent available figure).

[As of 01/06/26, there are 19,328 registered disabled badge holders.](#)

The total number of designated council-managed disabled parking bays (both on-street and within council-operated car parks) currently available.

[An interactive parking map which shows all parking controls in the City of Edinburgh Council area is available online, which includes disabled persons' parking places. Please note that the Council does not enforce off-street disabled persons' parking places.](#)

The total number of Penalty Charge Notices (PCNs) or fines issued for the misuse of disabled parking bays (i.e., parking in a disabled bay without displaying a valid Blue Badge) over the last 12 months (or the most recent available financial/calendar year).

[From 01/06/25-01/06/26, 2,876 Penalty Charge Notices were issued to vehicles found to have been parked in a designated disabled persons' parking place without displaying a valid disabled parking badge.](#)
