

62405 Licence for Property

10/1 Drumdryan Street

Provide me with a copy of the short term let licence up to 30 April 2026 together with any conditions attaching to it and also a copy of the licence from 30 April assuming it is not identical to the pre 30 April licence.

Please see attached the short term let licence documents for the property at Pf1, 10 Drumdryan Street, Edinburgh. Please note the renewal licence application (561364) was lodged before the expiry of licence 509801 therefore under the terms of the Civic Government (Scotland) Act 1982, licence 509801 continued to have effect until the Council decided on the renewal application of 30/04/26.
